We have 2 Guinea Pigs we sadly need to rehome due to allergies. Black/White/Brown one (Yogi) is about 2 years old and the White/Orange one (Carmel) has red eyes and is about 1 years old. They are really great pets that I am so sad to have to re-home. My allergies just can not take it anymore. Asking \$50 for them, Cash Only. They are really great pets....love love love hearing their squeaks! My kids have no interest in them anymore so I am the only one that gives them attention. Let me know if you have any questions. They will only go to a good home not to feed other animals. I would like to see them go together as well, they love cuddling.
