Hello parents,

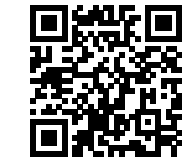

I have an opening at the moment that I am looking to fill with a child or children that is/are two or older. I'm open Monday through Friday from 7 AM - 6 PM but I am flexible with my hours. While kids are in my care I provide them with healthy balanced meals and snacks. Our days here are fun filled and active! When weather permits we go on walks around the neighborhood often and frequently visit the neighborhood park. I also have a fully fenced in back yard for the kids to play in and there is plenty of room in the front of the house to draw with sidewalk chalk, play with bubbles, etc. When we are inside there are lots of things for the children to do as well. The kids can color, paint, use washable markers, color on the chalk board, build with wooden blocks or legos, play with musical instruments, listen and dance to music, read books, play with toys, watch a movie or an educational children's show.

If this sounds like something you would be interested in or you would like more information, please contact me at the email provided above and I will get back to you ASAP!

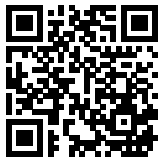

Thank you and have a Wonderful!
