

MANAGEMENT amp DEVELOPMENT For The ASPIRING GLAMOUR MODEL (NW Suburbs)

Location **Illinois**
<https://www.genclassifieds.com/x-447601-z>

If you're an aspiring glamour or independent adult model that would like to explore modeling on a slightly more serious level, by developing a dynamic and professional web presence, an alluring portfolio, and gaining exposure outside of the local modeling community, then my services may be just what you need. By establishing yourself in this way, you allow for the opportunity to make far greater and more reliable money.

My representation and services don't require any up front fees, but because of this I choose to only work with models that I feel have the greatest potential to become popular, and who are actually serious about doing it.

Services Provided With My Representation:

- A personal website for portfolio purposes and fan base monetization
- Image and video portfolio development
- Reputation development to grow popularity and enhance social status
- Social media management
- Posing and spokes model instruction
- Client referral and job placement
- Self-promotion instruction and assistance
- Local and national marketing through press releases, entertainment blogs, and modeling websites
- Personal promo and meet-n-greet organization

- Merchandising and alternative revenue generation

 My services provided are NOT to be taken up from the some countries demand for sex. If it does not suit you at all, please do not waste your time. I am only looking for models who are in Indiana, Wisconsin or even the city, unless you can get out to the NW Suburbs on a consistent and reliable basis for portfolio development. I won't be able to help you otherwise. You the services promised.

Who I am Looking To Work With:

I am looking to work with an aspiring model that is at least 18 years of age (unless I'm contacted by her

legal guardian first), must be located in the NW suburbs or immediate vicinity, is obviously photogenic, is serious and not just responding on a whim because some bartender told her she was hot, and ready/wanting to become a recognized name in the industry.

So with all that said, if you think you got what it takes and you're serious, then please send your name, age, location and a few pictures of yourself that accurately portray your face AND body (age appropriate of course), and we'll go from there. And to be safe, you might want to send an email because sometimes this CL relay isn't very reliable.
