Don't give up--Let us give new life to your favorite torn, worn out or stained upholstered couch, chair, office item or automotive upholstery. You will be amazed at what new stuffing or foam and fabric can do to renew and beautify older designs that are just too nice to give up on. Stained or just plain old, we have the custom upholstery skill to get the job done.

Our staff has the skills to expertly repair any upholstered item. Newly upholstered items can add value to furniture that simply cannot be found today.
