A sad cinco de mayo. Early in the morning of cinco de mayo, May 5th, I lost a simple silver bracelet around the area of Leadville Avenue and Sylvan street, in southeast Boise. The bracelet had wings on the front and engraved with C.Robert Porter, and a personal message on the back. The bracelet has been in my family for over 60 years. There is no real value other than the meaning for our family. Please call 867-5577 if you have found.
