

wanted pet ducksduck needing better homes

Location **Missouri**
<https://www.genclassifieds.com/x-448279-z>

I have 3 pekin ducks. I know some people have duck/ducks that really need homes and don't know what to do with them. PLEASE DONT LET THEN GO INTO THE WILD! I will be so very glad to take a few into my little flock. They will only be pets not food. Email me are text. Also might take in a few geese. Thank!
