Don't get screwed by Uber!

If you need a ride, errands done, designated driver, whatever . . . I'm at your disposal . . . 24/7. I'm an experienced excellent licensed/insured driver with a spotless record and a roomy van (Chrysler Town & Country with DVD, GPS, and E-ZPass). Reasonable rates. Give me a call (no text please) for prompt service . . . I'm not always online: . . . please, no text . . . Charlie.

PS - According to the October 2014 issue of Popular Science magazine, 1060 are the "number of people injured daily in crashes that reportedly involve a distracted driver." If, when you call . . . and you get my voice mail, I am probably driving . . . so, please leave a message and I will call you back when I am not in motion.

Here's what some satisfied clients are saying:

If you are looking for a car service that is personal, dependable, and professional where service can be tailored to your specific needs, while not paying the high priced cost for a private limo, you should definitely contact Charlie."
