Do you have any small house repairs or small renovation plans, and you are afraid to call a contractor because you know it will cost too much, or maybe you have been asking your husband to fix something, but he just can't get to it :) . I'm the guy you have been looking for. I am experienced in plumping, electric, carpentry, painting. You can call or text me anytime at I can help you with all things around the house like:

- Painting
 - Fixing doors
 - light plumbing
 - caulking
 - light electric
 - light carpentry
 - cabinet repair
 - power washing
 - Installing light fixtures
 - Installing bathroom faucets
 - Hanging TVs and pictures
 - Installing dimmer switches
 - Fixing a leaky or cracked window
- And many many other, you can call me anytime between 7 am and 10 pm with any questions you might have.

Send a picture of your project to my cell phone for a free estimate!!!

Reasonable prices.
 and hope to hear from you.
 text or call for a quick response. Thank.
