Location **New York**

Hey!

We're looking for a third roommate to start a lease Mid-end June. One of us is a recent college graduate and the other is a senior at a local university. We're both in our early 20s, and looking for someone who is in a similar position. We're both very clean, friendly, respectful and multicultural. We're looking to live in either Manhattan or Brooklyn (closer to the Manhattan border) .

In terms of budget, we're looking for someone who would be willing to pay up to \$1500 a month.

Please contact me if you're interested! We'd love to set up a time to meet and talk.
