Help Wanted

I'm single and in my early thirties! Im divorced and my wife left me with lots of financial troubles. I've been in recovery for three months. I plan to stay sober and just need my chance. Ive recieved assistance thru Fargo housing authority and obtained a voucher from there program. Im wanting to know if anyone will rent to a felon and not the greatest background. I work down town and would like to relocate in that area. I'm looking for a efficiency to a one bedroom apartment im not fussy just a place to call home.

Being approved for this program deposit and rent will be paid thru Fargo housing so you will be assured you will recieve your monthly payment in a timely manner!
You may contact me thru my cell @ 70one306nine165.
Thank you for your time!
