Location **Ohio**

Reliable, stable, quiet professional male looking to get closer to work in Clev. Hts.....currently driving from Cuyahoga Falls. I am looking for something hopefully June 1st. or within the first week of June. My preference is a non-dorm style setup (1 to 2 roommates max), utilities and whole house use included and a quiet drama free location. I have a steady job, pay my bills on time and keep to myself most of the time. I don't smoke or do drugs. Long term is preferred....though if you are looking for some extra income for the summer with a temporary roommate that is fine with me. Please respond with a description and pictures of the place and the rent.
