Local photographer looking for girls for some fun and classy outdoor photos; the theme of the shoots is essentially you, in your Prom dress, in a cool outdoor location. Get some shots that are more than a line of you and your girlfriends on somebody's front lawn. Help me get some beautiful, classy shots of you in your prom dress.

This is a fun side project for me, the results are not going to be used for any commercial purposes. I'm just trying to take some fantastic shots, and you'll get a FREE COPY of the photos afterwards!

I'm suggesting we do this sometime AFTER your prom, so hold onto that dress (and the shoes!) and contact me so we can set something up, anywhere from NE to Bucks.

Please include your age, and a photo or two of you with your reply---I'm going to tailor the location to my dress, so if you can show it to me, that would help.

And yes, you'd be more than welcome to bring a friend or BF along to the shoot. Legit, classy, fun.

Hope to hear from you!
