Deija is a sweet 3.5yr old Australian Shepherd/Border Collie/ Jack Russell. She is looking for a loving home! She gets along with most dogs, but would love to have all the attention! She is a couch potato and is very chill in the house. She is potty trained, loves to give kisses, chase her ball, and is very sweet. She does like to tree the feral cats on our farm. Re-homing fee is \$100 and if the new family doesn't work out she is welcome to come back to.
