

Move a refrigerator (Elm Grove)

Location **Wisconsin** https://www.genclassifieds.com/x-449068-z

I'm looking for someone to move an 18 cu feet refrigerator for me from Oconomowoc to Elm Grove. I would like this to be moved upright and strapped down. I'm looking at Friday afternoon or Tuesday (after Memorial Day) It is currently located in a garage for easy access and once to my residence in Elm Grove, it would need to go up either 2 or 4 steps depending on which door is used.

Please let me know if you can do this and what your price would be.

Thank
