ANDREA is a twenty-year-old, stunningly attractive bikini model about to get her degree in psychology from Harvard or Stanford.

Pilot episode is a 90-minute debate between her and a snobby male friend over dinner. Her first real date is his last.

Dinner format parodies a well-known indie film.

After the pilot, the show is hers. Aiming to produce 3-6 episodes first season. Format not yet defined.

Our sponsors have million-dollar potential, especially if host has star quality/potential.

LOOKS: 5'8" brunette

Talent must never have done television or films.

Please submit resume/reel and contact.
