We have a litter of 9 purebred German shepherd pups. This is our 3rd litter, rounding up to 28 pups in all! The puppies are currently 2 weeks old & just opening their eyes. Mom is CKC reg & dad is AKC, so we couldn't register our litter. Sadly, the father of our pups, King, died 3 weeks ago of a terrible accident, so he isn't here anymore to show in person, but we do have plenty of pictures of him. & Sadie, the mother, is on premises. We also have pictures of pups from previous litters to show. Text or call for more info & pictures.
