Hey Craigslist readers!

Healing Minds NOLA is seeking volunteers to help with a series of meetings from June 15-24 to have a citywide conversation about the broken system of mental illness and what needs to happen to fix it.

Experience with A/V would be helpful but not necessary.

Here is the Facebook notification about the event. <https://www.facebook.com/events/1423948697929151/>

If anyone is interested in helping to manage the facebook page and event we could use some help with that too. It seems that the floodgates have opened.

Thanks for taking the time to read this.

Best,
Janet
