We have only two more puppies left! We have an adorable little black female and handsome brown and white male. They are boxer/american bulldog/lab. The are intelligent, sweet, loving, and just so cute you can't deny them! They have not had their shots and their rehoming fee is $100 to cover what we have spent on them and to assure they go to a great home who can afford them. They will not be small dogs. The male will be medium sized like his father (40-60 lbs) and the female like her mother (70-90 lbs.) Please email if interested. I can send more.
