Your business will not have to worry about fitting out the essentials. Leasing and outsourcing should be the first decision when setting up a satellite warehouse facility, and moving in with the necessary services is always helpful. Our featured space offers ample parking: 501 spaces, smooth floors, heavy power: 3-phase 277/480VAC, 9400A electrical service, natural gas and municipal water to all areas of the building. Additionally, the facility is fit with up to 23 foot ceilings with 9 docks and grade level access as well.

As a manufacturing business or plant manager, you can sit comfortably at your main base knowing that your satellite location is in good hands with a lease agreement that allows you to cut down on upfront costs and ensure greater efficiency from afar.
