Professional Photography for all Occasions

Hi, my name is Bodhi and I'm a professional lifestyle and portrait photographer based on Oahu. I offer quality photography services for intimate events such as parties, weddings, receptions and engagements. Outdoor photography is my speciality and I especially love working with romantic couples.

Please visit my website for more information: www.OceanBodhiPhotography.com.

Beach and sunset portrait packages start at \$199 for a one hour photo shoot on location, with digital images available for viewing and downloading from an online gallery.

Custom pricing is available for parties, weddings, memorials and other events. Simply email me the particulars and I'll be happy to offer a quote.

Recent Reviews for Ocean Bodhi Photography: "If you're looking for a GREAT professional photographer in Hawaii, look no further than Ocean Bodhi Photography. My wife and I celebrated our 25th anniversary in Hawaii and after doing some extensive research, I chose to hire Bodhi. For our original wedding, I had always regretted not having wedding photos that we were happy with. Looking at Bodhi's work on his

website helped me have the confidence to give him a shot at taking our 25th anniversary sunset photos. I am a highly demanding person and Bodhi's calm, friendly, and skill in photography; he is professional and has a great sense of humor. Bodhi helped with the wedding and memorial service and the photo shoot was amazing. Bodhi's creativity and ability to think on his feet is a great resource. I am so thankful for the wonderful memories Bodhi gave us. It was a pleasure to work with him and we will be happier. Bodhi pays attention to all the details and it shows in the finished product - we couldn't believe the high quality of the photos and our friends and family agree that the photos are stunning. Hire Bodhi with confidence that you'll be working with a true professional." - Michael U

"We are so glad that we picked Bodhi for our Hawaiian sunset beach photo shoot. Even though we were super late, he was very understanding and accommodating. He encouraged and made us feel comfortable in front of the camera. And as the sun was setting, he knew exactly where to capture the best
