

# Mechanical Assembler (Peabody MA)

Location **Massachusetts**  
<https://www.genclassifieds.com/x-501318-z>

Location : Peabody MA  
 Duration: 6+months

Hours are 7 to 3:30  
 Mechanical Assembler Day Shift-

We are looking for an experienced assembler in our Mechanical Assembly department. The work involves using hand and power tools to assemble, kit and pack large mechanical and pneumatic assemblies.

The person must be able to understand and follow assembly prints, work packages, and air diagrams. Familiarity with electrical assembly or sheet metal fabrication would be a plus.

The person may work individually or as part of a team on large, complicated assemblies. Quality of work and attention to detail must be good. Must be able to check own work at different stages and work with minimal supervision in an ISO 9001 environment. Position requires the occasional movement of up to 70 pounds. One to three years of experience preferred.

Tasks will vary. In addition to mechanical assembly, the job will include:

1. Drilling, tapping and grinding of parts
  2. Cleaning, packing and crating of finished parts
  3. Use of wood working equipment
- Materials handling and use of forklift and crane  
 Use of hand tools, power tools, pneumatic tools, tape, glue, solder and other related to device  
 Work in our department is unskilled
