

eBay sellers to perform automated eBayAmazon price arbitragedropship (Remote)

Location **Massachusetts**
<https://www.genclassifieds.com/x-501329-z>

RUN YOUR OWN BUSINESS from home and/or expand your existing eBay activity by selling any new items on eBay using our unique automated price arbitrage/dropship software platform. This is not a paying job. You'll work for yourself. You can make \$10,000 or more per month on each eBay account, doing it from anywhere!

No items inventory and no upfront investment needed.

Our system finds items to sell, uploads them to your eBay store, re-prices your store against competition, sells, receives payment into your PayPal account, purchases and drop-ships, all automatically.

Please reply with your direct email address and phone number and we will schedule a call to go over the full details.
