Konig Bilstein coilovers (Bought new but never used)
 Metzger Metz3 rear tires with good tread
 Two front tires with good tread
 Full black interior
 Rear seat delete
 Kenwood touch screen head unit
 Issues
 Rust spot on drivers rear quarter ~2" long
 Exhaust leak causing idle issues when warmed up

Leaks oil when parked

The car does have a few small problems but is clean otherwise and Ive only used high quality aftermarket parts. Once again I dont need to sell it just seeing if I get any offers. It has not been driven in the winter for the 8 years Ive owned it and there is no rust other than what was mentioned above. Looking for \$5500
