95 eclipse gsx for sale. Awd auto LSD car 180k miles. Mostly stock.

Original 7 bolt engine with near perfect compression(probably rebuilt at one point). ARP head studs, head gasket, timing belt, water pump, thermostat, battery and pulleys are all new.

The car runs great, shifts perfect, spools like a stock car should. No CEL's. Should pass inspection, but it is historic. Definitely daily ready. Needs a fender and bumper to be perfect.
