Hello,

I am a professionally trained gourmet chef with a degree in culinary arts and over 16 years experience in the hospitality industry sending this message into the universe. My experiences include working as a chef in many fine dining restaurants, resorts, and private estates all over the country and the Caribbean. I currently live in Maine and am interested in getting back into the domestic side of the business. I am looking for a full time house manager/chef position and am open to relocating. I do everything from grocery shopping, cooking, and serving meals to cleaning, running errands, house chores, yard work, gardening, basic household maintenance, and accomplishing what ever needs to be accomplished on a day to day basis. If you are interested in this type of service than feel free to email me. Thanks, hope to hear back from you.
