Up for sale is my 2012 YZ450F. Bike is in very good condition. All original plastics which are in near mint condition; only significant "scuffs" on the bike are on the crankcase cover from my boots rubbing up against it. This bike has only 8 ORIGINAL hours on it. This bike has never been raced; I ride mainly up at Nemadji State Forest but have taken it to the sand box twice. Oil has been changed 4 times on the bike using only Yamalube 10w40 oil. Original tires are a tad rounded off but still have plenty of life left. Comes with a service/repair manual (\$50 value). Any questions just call or text me at the above.
