1997 Polaris Magnum 400 4x4 ATV in mint shape. 2k original miles on it and runs, drives and looks new. Fully automatic, selectable 4x4 and 2x4, electric start and reverse. Plastic looks new, no rips, no rust barley a scratch and everything is tight and works as it should. This machine was voted best ATV in 1997 and it still holds its own today. Don't waste my time with low-ball offers, this ATV is worth the asking price all day. First to come see this machine will load it up. Lot of junk out there. NO trades. Thanks.
