I'm a practicing artist looking to connect, network and befriend with other local artists. I'm 32 and currently working at making some improvements in my life (due to some recent times). I have had a life long love for the arts and need motivation, ideas, and inspiration of all kinds. I especially enjoy pastels, watercolors, colored pencils and oil painting. I would like to profile myself as an artist at some point and possibly get involved in some community work as well. I'm not a professional, I have an associates in Graphic Design I earned in 2008, which is also something I'm interested in getting back into for fun. If you have any similar interest, want to connect in any way, I would love to hear from you, or if there is anything you can do to help me out it would be very appreciated. Please keep in mind this is NOT a job opportunity! Thank you so much and I hope to hear from.
