I have sisters that are half Maltese and half Yorkie. They were born the 30th of December and have had all three of their puppy shots. One is 7 pounds short like a Maltese(dad) and the other sister is taller and weights 13 more like a Yorkie (mom). They both are trained to use the potty outside and was kennel trained quickly by their parents. They obey well and come when you call them (Sadie and Sofie). I am re-homing them because we have a farm and I do not want them to be hurt by our larger animals. Re- home fee is .
