NEWS:

Metal commodities market 2014 into 2015:
 Unfortunately some metals are at an "all-time" low in the recycling sector and activity levels are down in line with the declining ferrous metal price, which fell below \$0.10 cents per lb to \$0.03 cents per lb this year with no recovery.

RMR SERVICE:

RMR is paid to do service with metal. May require a small fee to cover fuel. We love to pay!

We pay for scrap metal at 2000lbs+
 We pay for non ferrous metal at 100lbs+
 We pay for precious metal at 1 troy ounce +

FREE service depending on value and time
 FREE drop-offs of Metal and Electronics in Covington.

FREE pick up of donations items along with metal recycling.
