Brazilian Cumaru floors are exceptionally beautiful, fine-textured, tough and dent resistant. The heartwood has creamy white color tones to light reddish brown, and sapwood is a pale creamy white. Because of Australian Cypress unique characteristics and durability, it has been the flooring choice for high traffic spaces such as bowling alleys, basketball courts, dance floors, and schools just to name a few.

Imagine how well it performs in kitchens, dining rooms, and kid's bedrooms!
 Brazilian Cumaru will offer you great durability, beauty, and will get your neighbors talking.

Quick Highlights:

- Natural Grade
- ODD LOT
- Nail down installation
