

New Skid Steer Bulk Grapple Attachment (70, USD)

Location **South Dakota**
<https://www.genclassifieds.com/x-503481-z>

New bulk grapple attachment for skid steer loaders! 70" opening to easily get around large round bales, brush and hay piles, whatever a normal size grapple can't quite handle. Standard high strength bulk bucket with grapples made from 3/8" thick material and replaceable bolt-on tines. Universal attachment plate to fit all makes and models of skid steers. Comes with hoses and flat face couplers.
