Smokey is a male cat around 2 years old. He is beautiful gray color. He been neutered and UTD on shots. He loves to play, loves to cuddle and love to purr when petted. Litter box trained, never has any accidents. He likes to play outside. He gets along with children and other cats very well. He will come with some toys, food and water bowls and a collar. I am asking a small \$10 rehoming fee to insure he will go to a good home. Any questions or concern please don't hesitate to.
