#### DWI: AGGRESSIVE DEFENSE

Our firm understands that when you are arrested in New York for Driving Under the Influence (DUI) or Driving While Intoxicated (DWI,) you can lose your license and your car before appearing in court. A conviction may lead to a criminal record, required installation of an ignition interlock device, monetary fines, jail and license revocation.

DWI cases are complex; they require a law firm with the specific knowledge and experience to represent clients accused of driving while intoxicated. Michael J. Redenburg, Esq. has both the knowledge and experience to represent such clients. Due to the complexity of DWI cases, there are many opportunities to challenge a DWI accusation. Be advised that you should contact an attorney to decide which strategy is best for your individual case.

Michael Redenburg has successfully tried numerous cases to verdict, including felony jury trials venued in Richmond County and Kings County, NY, as well as bench trials in both Kings County, Bronx County and New York County. In 2010, Mr. Redenburg was successful in achieving a "not guilty" verdict in favor of his client who was charged with DWI and various other charges. In 2013, Attorney Redenburg obtained acquittals for two clients in a row - one in a Strangulation Case and the other in a Sex Abuse Case. Additionally, Mr. Redenburg is often successful in achieving favorable "plea bargains;" favorable pre-trial dispositions for his clients facing criminal charges, where appropriate. He has handled hundreds of criminal cases, including DWI, shoplifting, assault, drug crimes and domestic violence cases throughout Brooklyn, Manhattan, Bronx, Staten Island and Queens.

Mr. Redenburg has been recognized by three (3) different organizations which are invitation only and peer reviewed. In 2014-2015 Michael Redenburg was named a SuperLawyer, NY Metro Rising Star by

---

Thomson Reuters and no more than 2.5% of lawyers in a state are given this rating. Attorney Redenburg was also named a Top 40 Attorney by American Society of Legal Advocates ("ASLA") in 2014-2015 and ASLA limits its membership to less than 1.5% of all licensed lawyers nationwide. Additionally, in 2014-2015 Attorney Redenburg was named Top 40 by The National Trial Lawyers, which is invitation only, based on nomination and peer reviewed.
