2000 Toyota Tundra V8 4WD. Excellent condition. Just replaced all fluids. Brand new American Racing wheels and Goodyear kevlar tires paid about \$2k total. Bed lid, spray in liner, trailer hitch, flat screen stereo deck, XM radio, bluetooth, speakerphone, backup camera -- over \$1k into the stereo and camera system. Keyless entry. Some minor blemishes but the truck is in great physical and mechanical shape. No problems whatsoever. I thought I would keep this truck but I decided to by a 2014 Tundra so now I need to offload this one. Title in hand.
