Looking to rehome my 3 1/2 month old American Pit Bull, Mac. My work schedule is too hectic and I find myself leaving him home alone too often throughout the week and he deserves way more attention than I can give him. He is up to date on shots and goes for his last round of "puppy" shots on 7/4/2015. I haven't raised him to be aggressive and I want to ensure he goes to the right home. He comes with his vaccination recods, crate (folds down when not in use), dog food, collar and leash, dog treats, a dog gate, and a steak and cord for yard use. Asking Rehoming fee of \$250, nothings set it stone and pricing is always negotiable. Give me a text or call if interested.
