Looking for a female kitten for our daughter. I live in Mt. Juliet/Hermitage area please send response to email with pictures. Will pay small rehoming fee - I am not looking for bait - we had our last cat for 17 years indoors and its been almost 3 since she has been gone and now my little girl keeps asking for a kitten.

If you send email with pics i will email back if I am interested or not - I am going to show my daughter the pics and let her decide :-)

Thank you in.
