UPDATE: HE WAS RECENTLY SEEN IN THE VIRGINIA UNION UNIV AREA

Our sweet but huge pitbull got spooked when my foster son's car was hit by a drunk driver on Memorial Day and he took off running down Broad Street. My son was injured, but tried to run after him, but he disappeared around the intersection of 5th Street. We searched all night and could not find him. We are heartbroken and worried.

He is a neutered male, natural ears and tail, brown and white and was wearing a red harness and leash when he ran off.

Please call if you know where he is:
CASH REWARD FOR HIS SAFE RETURN
