

Lexmark 1240 All (, USD)

Location **Georgia**
<https://www.genclassifieds.com/x-504061-z>

An ideal solution for business travelers or those setting up a home office, the Lexmark X1240 boasts robust print, scan, and copy capabilities. Users printing out black and white documents will enjoy speeds up to 17 pages per minute (via the printer's speedy USB 2.0 connection), while full color 4,800 x 1,200 dpi resolution documents will print at a rate of nine pages per minute. When it's time to scan important documents, PDFs, and photographs, users will enjoy rich, full color capture at 4,800 x 4,800 dpi resolution (48-bit). Scanned documents can be reduced by up to 25-percent and enlarged up to 400-percent larger than original size. Compatible with Windows 98SE and later operating systems, the printer supports the following paper sizes: 8.5 x 11, 8.5 x 14, 4 x 8, 4 x 6, 3.5 x 5, and 5 x 7 inches. Measuring 17.5 x 12.1 x 6.6 inches, this printer weighs only 11.9 pounds. It is preowned but works great! It retails in stores for up to \$129.99...but you get it here for Only !
