We are looking to hire part-time travel agents to help our clients. You can work from home and can be located anywhere in the Bay Area or United States.

We are looking for people that match these requirements:

- You should have a background in the travel industry, preferably as a travel agent.
- Love talking to customers and making people smile :)
- You should be a traveler yourself and have hopefully spent some time wandering the world!
- Bonus points if you are a certified travel agent - please let us know which certifications you have.

Please send a brief note that tells us why you are interested in the position and a bit more about your background in the travel industry. Thanks!
