

River and Hwy Frontage (Combs)

Location **Arkansas**
<https://www.genclassifieds.com/x-504546-z>

I've got over 100 Ac well there was over 100 Ac we sold 35 Ac of it. It's right on White River and joining the Hwy. all in grass. Beautiful place. All utilities right there. A big pond and a nice big barn. You can buy all 75 Ac or as little as 5 Ac. This would be a great place to park your RV and go riding in the White Rock area.
