Alienware M15x Gaming Laptop - 15.6" Core i7 Q 740 @ 1.73 GHz, 16GB RAM, 500GB HDD, DVD RW Drive, NVIDIA GeForce GTX 460M, Windows 7 Home Premium 64-bit

Laptop is in overall great condition - there are some minor scratches and light signs of wear on screen, which are not very noticeable when powered on. Other than that, everything is in great condition and works perfectly. Price is firm. Thank you.
