I have a wrecked 2000 Toyota Tacoma PreRunner with various parts in good condition. Things that are still good include. . .

3.4L V6 with 163,000 miles

Automatic Transmission

Rear Axle Assembly

Driver's Side Door

Rear window, Xtra cab windows, and door windows

Wiring harnesses

Various interior (gray) parts are in good shape. \$900 takes the whole thing. Need it gone. Call or text 601-five zero eight-0730.
