Events are awesome! The atmosphere is exciting, the activities are thrilling, and there are a lot of great and interesting people having fun. You want to remember this moment. These moments.

I can help.

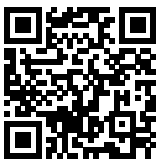

My name is Michael Courier and I am an experienced event photographer. I've photographed performance events, fundraisers, protests, lectures, conferences, networking events, rehearsals, horse jumping, first birthdays, and just recently a bar mitzvah.

Fast paced and chaotic events are my speciality. I work quickly, have a flexible process, and will deliver images that will reflect the quality of your event.

My rate is \$75/hr. You can find more of my work available on my website at www.michaelcourier.com

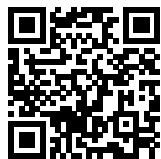

Please do not hesitate to contact me if you have any questions about my work. I'll be as helpful as I can to accommodate any concerns that you may have.

Thank you for your time and!
