He is a very relaxed dog that loves to be petted all day. He doesn't get along cats and good with other dogs. I wouldn't get rid of him but I feel bad because he is stuck in the house all day long because of me working. I have an almost 9 weeks old pit. His name is blade. He is potty trained, neutered, chipped, and very loveable. He is my baby. Want to make sure he goes to a good home. If you have more question e-mail me here
