

Grate Dane Mix (Saint Albans)

Location **Maine**
<https://www.genclassifieds.com/x-505955-z>

1 year old great dane lab mix needs home. Hes good with kids of all ages and has been with small dogs and cats and is fine with them. He is a big giant goof ball who need more room to run around and someone who can handle a big dog. He is just way too much dog for me. He is house broke but is not fixed and will need his shots updated. There is a small rehoming.
