We are moving from Lincoln and are looking for a house to rent within 15 minutes of Lexington, NE. Would consider lease/purchase option. It's just me (49, truck driver) and my sister (55, restaurant manager); No kids, 3 cats, looking for at least 3 bedrooms (need not all be conforming) and 2 bath (need not be full bath). Prefer rural house. Prefer attached garage. Prefer basement. Everything is negotiable. Need to move within the next month or two (my sister got a job in Lexington; I work out of Beaver Crossing). Please respond with property description, location, photos, price, etc. Have exhaustive references, including present.
