

Looking for a rental house (grand island area)

Location **Nebraska**
<https://www.genclassifieds.com/x-506113-z>

We are relocating back to Grand Island from Omaha for our jobs! Looking for a rental house under \$999 a month. We are moving back the beginning of July, so we need a place ASAP. Both of us have clean records and have no problem doing background or credit checks!!!

thank you in advance,

Jake
