NEWBORN NANNY (DURHAM)

Location **North Carolina** https://www.genclassifieds.com/x-506163-z

Experienced Newborn Nanny available to start in July or August.

This will be the fifth newborn I've cared for, including a preemie.

Helping give a baby a loving start to their life is my passion. Have a dog, even better!

I am reliable, educated, mature, fun-loving, easy-going, CPR/first aid trained, and can provide excellent references.

My preference is to find a family in the Duke/downtown area, or north in Creedmoor. I require 35+hours per.
