Hi my name is Jessica I save my female boxer from a bad situation she was used for breeding and then starved I have been working with her on her wieght and comands and she is doing good. She is great with kids of all ages and dogs but not cats. She still needs more wieght in order to get fixed and her rabies done she has her parvo shot done and has been dewormed as well I want to find her a good loving home for her she is so sweet and loving. I can't have her where I am staying at that why I have to do this it makes me sad. I am asking a rehoming fee of \$100.00 the price can be negotiable to the right home. I want her
